**Installment plan option**

Farmers experience their greatest expenses before the season begins, so shareholders must make every effort to pay in advance to distribute the financial resources to the farm when they are needed the most. If at all possible, please pay the entirety of the membership fee when you join. The installment plan should be a last choice, an option provided by Heirloom Harvest for those who do not have the resources to pay the full amount at the beginning. If paying by installment, your payment should be \$200 minimum.

**Work Commitment agreement:**

Every CSA share purchased is required to provide 7 hours of time at the farm over the course of the season. This year, in order to ensure that the hours done serve the farm when it most needs the work, we are requiring that you commit to a specific month by which you will have completed your hours (You will be welcome to finish them early).
